Delivered activity details

Gig Ready Barry

What is the name of the activity or group of activities?	Gig Ready Barry
Which category does Gig Ready Barry most relate to?	Community outreach and engagement
Tell us more about this community outreach activity	This is a music development initiative designed to support young musicians in Barry by offering them practical industry insight, technical training, and performance opportunities. An open call-out was made in 2025 inviting young musicians to apply for the performance, training and recording opportunity. The project launched with a performance event. This was followed up by training and the project is on-going. This was targeted at young musicians in Barry. Eight acts were selected (11 people). About 100 people attended the free launch event at the Masonic Hall in January 2026.

How much Pride in Place funding did you spend on Gig Ready Barry?	£10,800

Neurodiversity support coffee mornings

What is the name of the activity or group of activities?	Neurodiversity support coffee mornings
Which category does Neurodiversity support coffee mornings most relate to?	Community outreach and engagement
Tell us more about this community outreach activity	This is a fortnightly coffee morning support group for parents with neurodiverse children. Professionals attend each coffee morning to provide advice and signpost to other services. The pilot project will run for 6 months in Cadoxton. This was targeted at parents with neurodiverse children in the East of Barry. Up to 25 parents attend each session.
How much Pride in Place funding did you spend on Neurodiversity support coffee mornings?	£2,500

Projects planned using programme funding

Have you planned any future projects using programme funding?	Yes
Planned projects	There are 6 answers Answers for “Planned projects”

Planned projects

Power for the Parks

What is the name of the planned project?	Power for the Parks
Tell us more about Power for the Parks	This project is to install or upgrade power supply at four outdoor locations in Barry, making it easier and less costly for community groups to hold outdoor events. Generators will no longer need to be hired for events, which will be a significant cost saving for groups putting on events and will improve the environment and safety at events. Thousands of residents and visitors attend events at Barry Island, Romilly Park, Central Park, and Victoria Park each year and will benefit from these infrastructure improvements.
Who does it target?	• Whole community
Does Power for the Parks relate to a physical asset?	Yes
Tell us the postcode where the project will be delivered	CF63 2JS
Which intervention does Power for the Parks relate to the most?	Regeneration, high streets and heritage
Which other intervention does Power for the Parks relate to?	It does not relate to another intervention

Which organisations are going to deliver Power for the Parks?	• Local authority • Private sector
What are the names of these organisations?	The Local Authority's Parks department and the Events Manager are involved with this project, which will be delivered by a private sector company, procured through a framework agreement.

Tell us about the planned management costs you will spend programme funding on	£4000.00 of the total capital spend are management costs to be used on monitoring, advice, project development.
How much programme delivery funding will you spend on management costs?	£4,000

Broad Street Public Realm

What is the name of the planned project?	Broad Street Public Realm
Tell us more about Broad Street Public Realm	Deliver public realm improvements along Broad Street, Barry, strengthening the connection between Barry Station, High Street and Holton Road. The route currently provides a poor pedestrian experience, with limited seating, overgrown areas and poor visual quality. The proposed project includes improving seating areas near the station and opposite the junction with Trinity Street. The works would consist of clearing overgrowth and weeding, clearing the litter that has built up over time, planting new attractive plants, and replacing the benches with new benches.
Who does it target?	• Older residents • Whole community
Does Broad Street Public Realm relate to a physical asset?	No
Which intervention does Broad Street Public Realm relate to the most?	Regeneration, high streets and heritage
Which other intervention does Broad Street Public Realm relate to?	It does not relate to another intervention
Which organisations are going to deliver Broad Street Public Realm?	• Other
